

Make sure to go over chapters I and II for the the test tommorow.

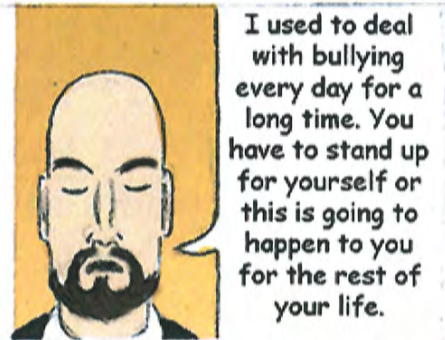

Jimmy, could you come over here for a minute?

I didn't know black eyes were fashionable these days.

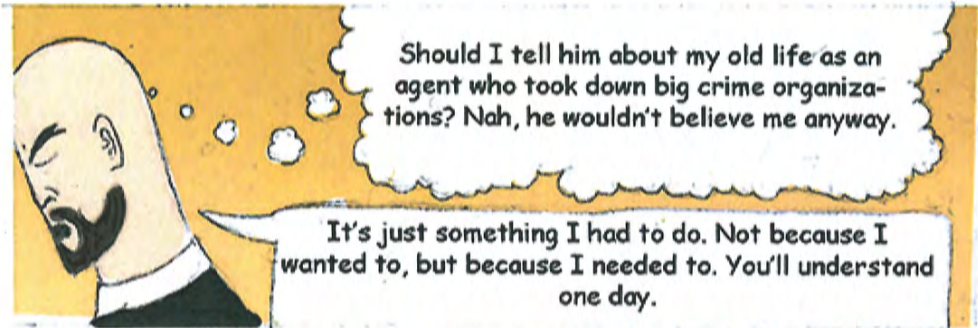

It's no big deal prof. Huji, I'm getting used to it.

I used to deal with bullying every day for a long time. You have to stand up for yourself or this is going to happen to you for the rest of your life.

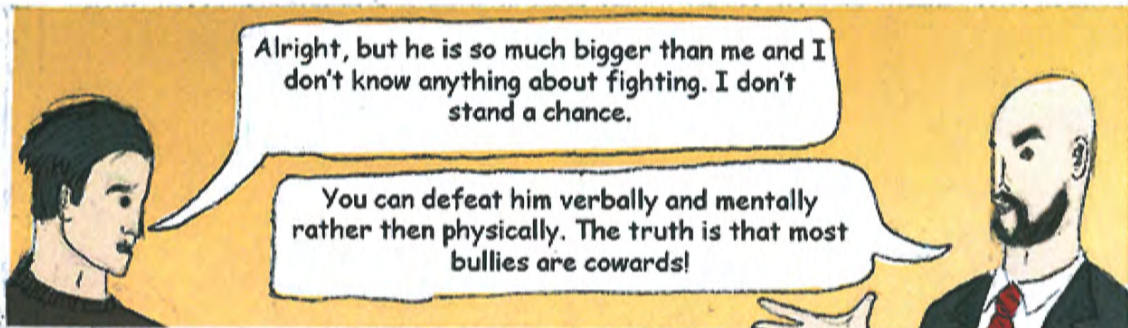

What do you mean you use to deal with it every day? Do you mean in school?

Should I tell him about my old life as an agent who took down big crime organizations? Nah, he wouldn't believe me anyway.

It's just something I had to do. Not because I wanted to, but because I needed to. You'll understand one day.

Alright, but he is so much bigger than me and I don't know anything about fighting. I don't stand a chance.

You can defeat him verbally and mentally rather than physically. The truth is that most bullies are cowards!

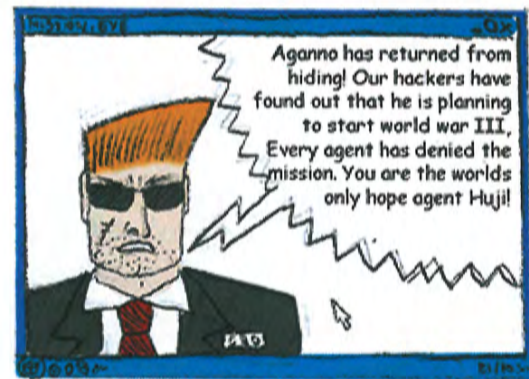

Thanks for caring Prof. but I don't know if I can do this. See you tomorrow

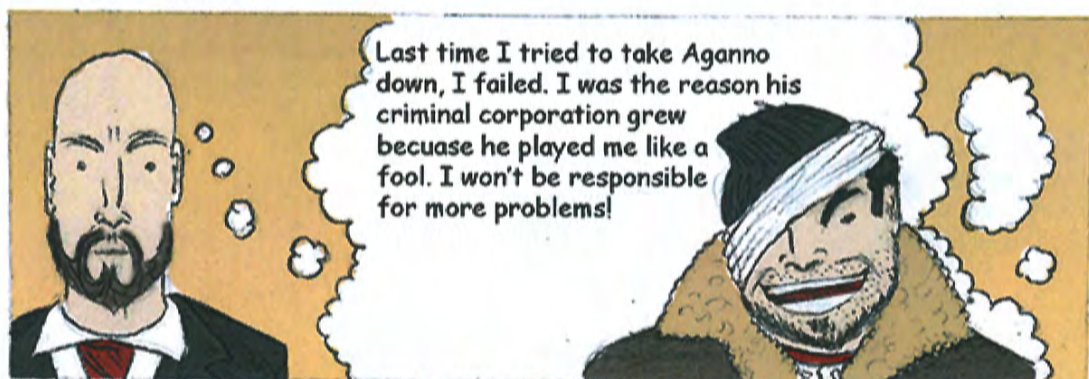

You'll see that I'm right once you end up in a tense situation. Bye.

CALLING ALL AGENTS, AN EXTREME THREAT HAS APPEARED! MISSION ACCEPTANCE DEMANDED!

Aganno has returned from hiding! Our hackers have found out that he is planning to start world war III. Every agent has denied the mission. You are the worlds only hope agent Hujil!

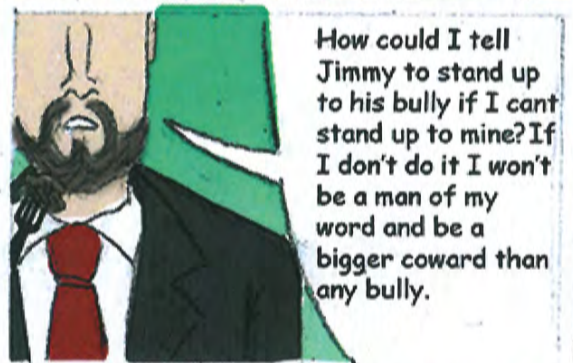

Last time I tried to take Aganno down, I failed. I was the reason his criminal corporation grew because he played me like a fool. I won't be responsible for more problems!

I won't do it!

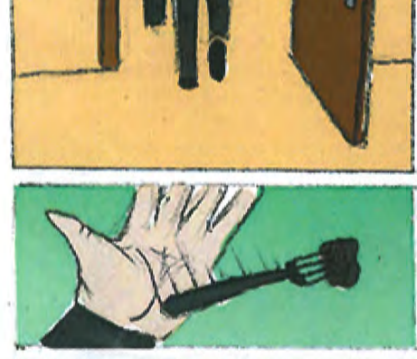

Later that day...

How could I tell Jimmy to stand up to his bully if I cant stand up to mine? If I don't do it I won't be a man of my word and be a bigger coward than any bully.

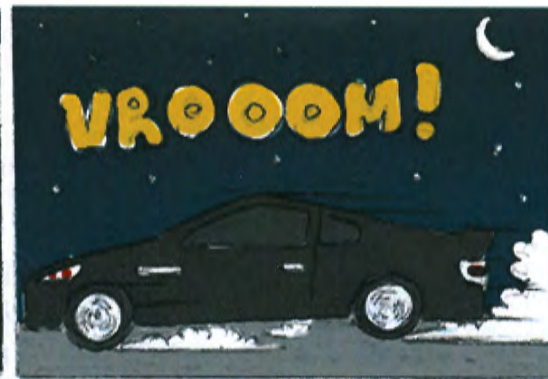

I'LL TAKE THE MISSION!

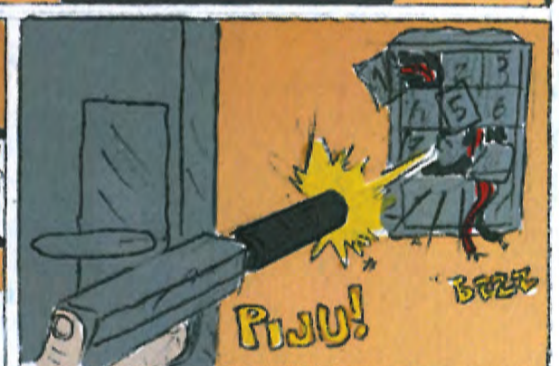

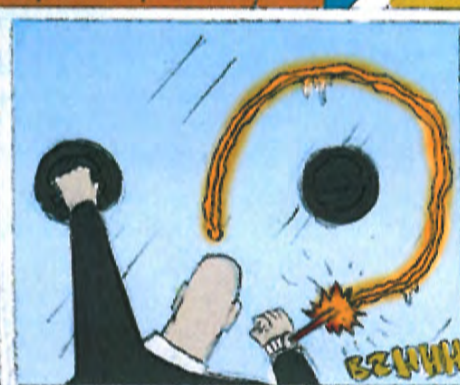

Time to put that old suit on and gear up for one last time.

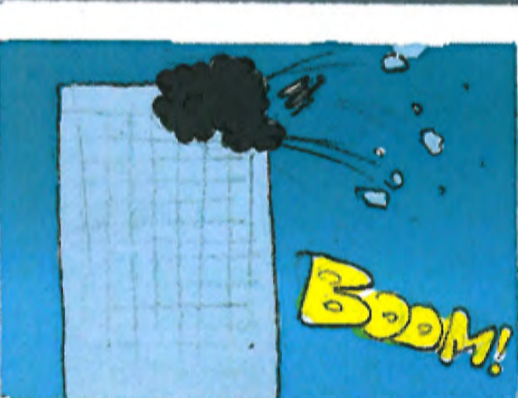

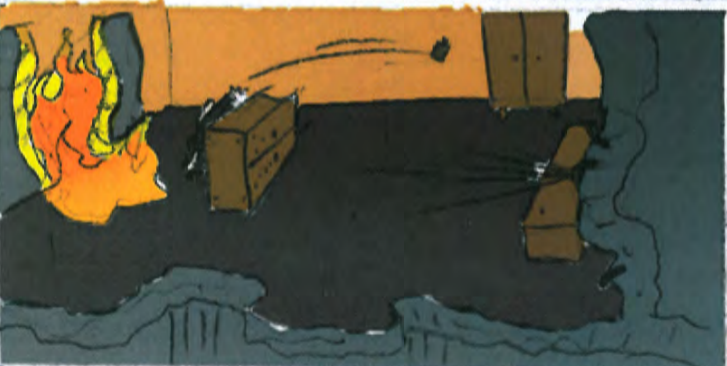

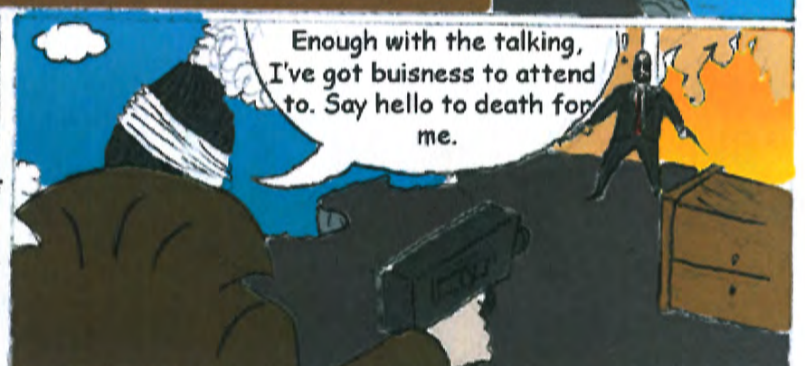

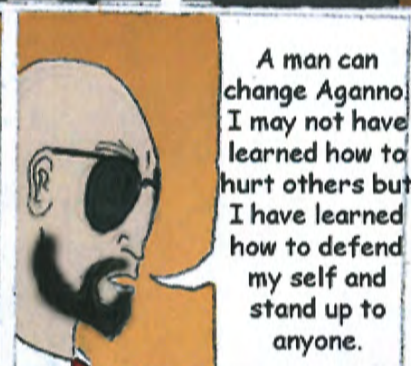

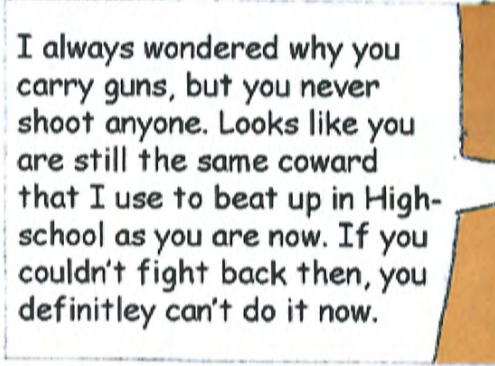

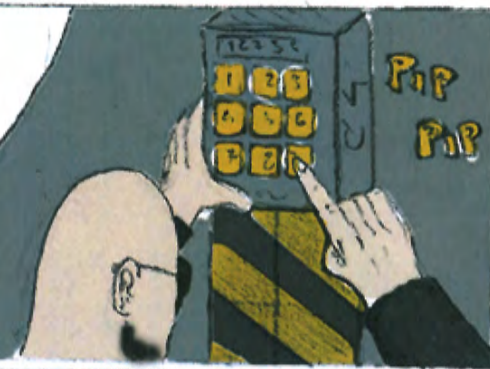

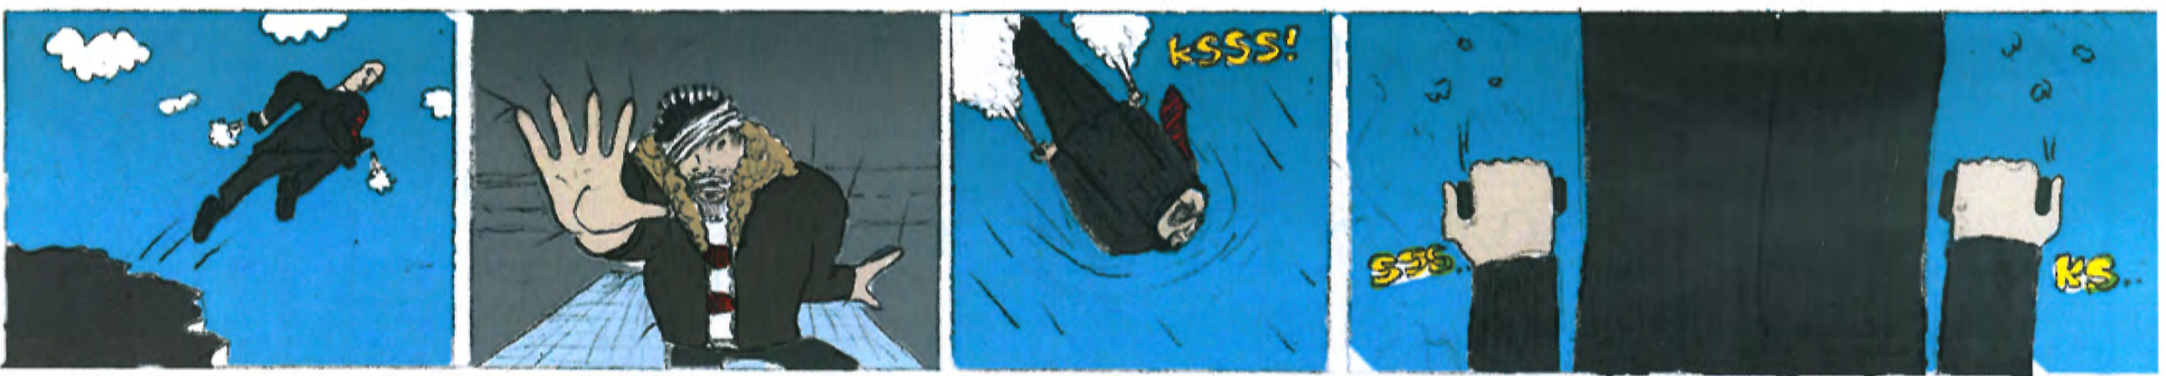

On the next morning...

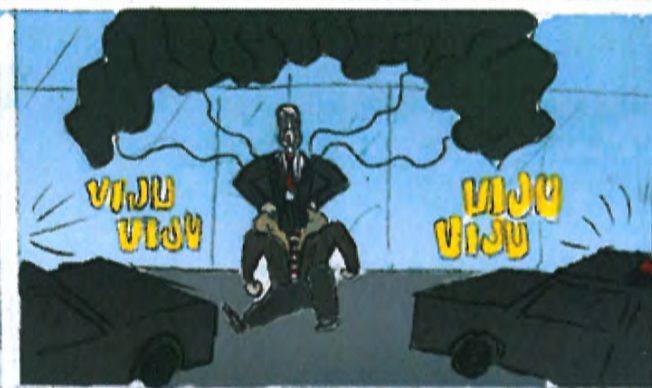

These doors are made out of solid steel, looks like the only way through is with C4. According to my calculations nobody will be hurt by the explosion.

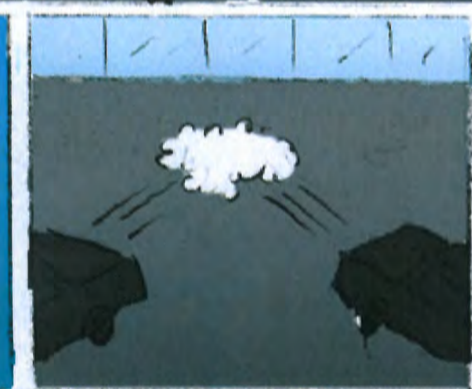

While watching TV...
That agent looks familiar. Is that prof..

FRRR!
Nah, It can't be.

You are both under arrest!

Great job agent, I knew that we could count on you!

If the guy from the news can do these things to stand up against villains, then I can stand up against Brad with no problem.

What's the matter with you? Why don't you stop annoying people?
GRRR

Do you want another black eye?
Wow, you are a bigger coward than I tought! Picking on people that can't fight back!

Coward!

Why don't you pick on someone like me.
Get away from here, Nobody wants people like you around.

Im not a coward!

Thanks.

Later in lesson...
Good morning everyone.
